# Profile

# About us

As the industry's largest independent service company specializing in the equipment, spare parts and maintenance for commercial kitchen. Kitchen Care is dedicated to helping maximize your business results.

We take care of our customers by providing innovative solutions and superior service delivered by our national team of talented and experienced service professionals.

## Our Services

### Turnkey projects -

We have worked closely with leading industry designers & specifiers on several hotel development projects for which and we provide expertise in design, project management, supply, fitout & execution.

### Retail & replacement business

As our valued local business partners, hotels & restaurants frequently need to replace or refurbish their existing kitchens. We provide a variety of equipment that best fits the original need and minimized operational downtime for the Client in such cases.

# Mission

To be the premier provider of equipment, Spare Parts, Maintenance and related services for the food service industry. Our aim is not to beat the competitors' prices but to provide complete customer care. This starts with exceeding the customer's expectations and is maintained by continually doing so and establishing a close working relationship in the process.

## Customer Care Center

### Spare parts

When you need a part for your kitchen equipment - any part - our parts team has it and gets it to you fast. And we make it easy for you to place your parts orders.

As the largest independent supplier of foodservice and commercial appliance parts in the country, we are stocked most of parts and ready to help you through any problem. Our spare parts division includes a showroom for independent units' sales & catering equipment parts.

### Installation and Maintenance

Our installation and maintenance personnel are trained in and familiar with not just our own product range, but also with a wide variety of Food Service and Cold Storage employed in the market through other vendors.

Our engineers and technicians have undergone training at our key suppliers' facilities to ensure that the installation is right first time. We maintain a sizeable in-house inventory of spare parts to minimise any down time of our installed equipment.

We guarantee all our installations for one year, and all equipment is also backed by the manufacturers' warranties for the same period. A 24 hour emergency callout service on all days is also available along with extended warranty and annual equipment maintenance services.

SMART people and technology.

FAST delivery.

SERVICE focus.
